Is There A God?

The second part of our sermon series called "Big Questions"

1. The Bible always _____ God's existence.

"In the beginning God created the heavens and the earth."

Genesis 1:1

*"Lord, you have been our dwelling place throughout all generations.
Before the mountains were born or you brought forth the earth and
the world, from everlasting to everlasting you are God."*

Psalms 90:1-2

2. It takes _____.

*"Now faith is being sure of what we hope for and certain of what we
do not see. This is what the ancients were commended for. By faith
we understand that the universe was formed at God's command, so
that what is seen was not made out of what was visible...And without
faith it is impossible to please God, because anyone who comes to
him must believe that he exists and that he rewards those who
earnestly seek him."*

Hebrews 11:1-3, 6

3. It is _____.

*"For since the creation of the world God's invisible qualities – his
eternal power and divine nature – have been clearly seen, being
understood from what has been made, so that men are without
excuse."*

Romans 1:20

4. Where does _____ come from?

*"The LORD is good and his love endures forever; his faithfulness
continues through all generations."*

Psalms 100:5
