

Work Camp 2018

Showing God's Love & Grace in a Practical Way

That White Lake might see Jesus!

This ministry is about giving to others in our community through home repairs or any other needed assistance. Projects to be completed are as simple as yard clean up, to as complicated as roofing, and anywhere in between.

We may be painting the outside or inside of a house, putting up drywall, doing flooring or even landscaping. The limit of the jobs done for the projects is reflective of our volunteers' skills and abilities (carpenters, roofers, etc...).

Please prayerfully consider sharing yourself with your community for this incredible week!

Other happenings to make it a "Missions at Home" ministry:

- ✦ Breakfast at church every morning.
- ✦ Sack lunch at site with devotions relating to Service, Helping, Missions, etc.
- ✦ Dinner Monday, Tuesday and Thursday at church with recap of day, video of job sites and work completed (in progress).
- ✦ Dinner Wednesday is a cook-out pool party at someone's home to "relax" a bit during-mid week with the whole family.
- ✦ Care Cards...written by workers for workers to let them know how much they are appreciated and maybe even make a few new friends along the way!
